## The Returners of the Lost Phone!

On a crowded airway only 3 hours in, still 23 hours to go, I haven't slept a wink and just can't wait said Sam sarcastically. "This time I am not excited for a trip" Sam says. Her mom replied with "why not" we are going to Malaysia, somewhere we've never been and the weather is going to be a high of 33 degrees all week. I guess you're right I think I just need some sleep Sam said grumbling. "Where exactly is Kuala Lumpur?" asked Biscuits. "It's the capital city of Malaysia it has the tallest twin towers in the world. There known as the Petronas Towers which is 451m tall. Said Ben

\*\*\*

As the captain says over the PA system "we will be landing in about one hour." "I am so bored" Ben mutters. Jaspa replies to Ben "maybe we should look up some of the places we could visit. I heard they have really good water parks there". "Hey dad can we by any chance go to a water park when we are there." Ben said to his father. "Sure we can maybe we'll do that first" said Ben's father. "Wow" said Biscuits looking mesmerized. "What" said Jaspa. "Look you can see the buildings down there. They look so small like us from up here" says Biscuits.

## Chapter One

“I am so excited! What are we going to do first?”

“Well I was thinking we would go to Sunway lagoon first”

“Cool!”: “Ooooooh a water park. Sounds fun!” Said Jaspa  
Yesssssss”! Biskits replied

“Yay we’re here!”yelled Sam

“Let’s go on the carpet slide first!”said Ben excitedly

“Ok.” Ben’s father replies laughing.

“ Did you know this place opened in 1992 “ said Ben

“ cool” said Sam

When they got there you could definitely tell it was a water park.

The Ses were super excited for the day.

“Wow” said Jaspa while sitting on Sam’s shoulder under her hood. “It’s humongous” .“Look at all these rides, food stands and water slides. Today is going to be so fun!” Said Jaspa.

“Everyone just be careful we don’t need trouble while we’re here” said Portia.

“Ben look the carpet slide, lets go! “

“I wanna go first,” said Sam.

”Ok,” said Ben.

As Sam slides down the carpet slide the water splashes in her face and the Jaspa slips out of her finger tips being left right in the middle. You could tell by Sam's face that she felt terrible because it’s like someone took the happiness out of her. When she got to the bottom Ben gave her a big hug and said, “it’s ok.

Jaspa then notices a leaf falling from a tree near the slide it was a *Eusideroxylon zwageri*, more commonly known as ironwood. Then he realizes that it could be used as a mini surfboard. So he catches it and hops on and slides down. And Ben swoops him up into his hand.

“Maybe we should check this place out some more “ says Gravee

“Ok.” Replies Portia

“Bye Ben.” Say the Ses.

As the Ses wander Biskits soon notices a shiny thing on the ground.

As he approaches it, it gets bigger and bigger.

“What’s this” wonders Biskits he calls over the rest of the Ses

“What’s this “ asks Portia

“ I don’t know I found it on the ground.” Replies Biscuits

“Well there’s a button let’s press it.” Says Jaspa

“first we should move out of the open” says Portia

“Ok now press it “ said Gravee eager to find out what it is.

As they pressed the button the screen soon lit up with a message that said the Ses are real. The Ses were shocked you could tell by the expression on there faces.

“We have too find who this is their clearly important.” said Gravee

“Ok what are all these squares” asked Biscuits.

“Look that one says safari” said Jaspa

”click it “ said Biscuits

“Ok ok “ said Jaspa

“Google? What’s Google?” Asks Biscuits.

“Look here it says the Kuala Lumpur National monument. Maybe we could find them there.” Says Portia

“Hurry let’s go!” Yelled Gravee

“Wait who are we looking for ?” questioned Biscuits.

“Good question” said Portia.

“Look it says photos. Maybe there will be a picture of them.”

The Ses were looking through the photos and they saw a label that said selfies so they clicked it.

“Ok so he has dark hair and brown eyes. Everyone knows who we’re looking for right?” asked Portia

## Chapter Two The National Monument

When you arrive, one of the first things you see is a big sculpture of soldiers. It was for all those who died during world war 2 against the Japanese. It lasted for 12 years called the Malayan emergency.

“How are we going to get there?” asked Biscuits.

“I know remember when we were in London Mad showed us how to ride on the show laces? It cannot be that far from here” said Portia

Let’s jump in 1 2 3 NOW!” Yelled Jaspa

As they were riding on the shoe with the phone, the people still didn’t notice the extra weight.

“So we just need to make sure they are going north we are going in the right direction.” Said Portia.

\*\*\*

“Finally we’re there” complains Biscuits.

“Be patient Biscuits” says Jaspa.

“Look over there maybe we could get a better view from the big statue,” said Biscuits

\*\*\*

“How are we supposed to get up there?”asked Biscuits.

“Hmm.. look that family is taking a photo let’s use them as a ladder” said Jaspa.

As the Ses where climbing up the family’s coat they made sure to blend . When’s the Ses made it up to the top of the monument they couldn’t see anyone who looked like the guy in the photo.

“Hmmm should I get a higher look?” wondered Biscuits.

So Biscuits decided to climb up the flag to the very top without anybody noticing.

Soon Portia notices and “Get down from there Biscuits” yelled Portia.

Everyone soon looks up at Biscuits he still can’t find the person their looking for.

Biscuits starts to lose his grip as a gust of wind comes and blows him right into the

fountain nearby. The rest of the Ses quickly run over to the fountain to see if he's ok.

"Bisckits are you ok?" asked Gravee very concerned.

"Ya I'm good" Bisckits replies as he jumps onto one of the fake light up flowers.

"How are you going to get out of there?" asked Portia

"I don't know." yells Bisckits

"Can you swim?" asks Gravee

"Yes" Says Bisckits

"Ok then swim to us and we will help you out" says Jaspa

"Alright" said Bisckits

Bisckits jumps off the flower into the water and swims to the other ses as they help him out of the water.

"I'm so sorry guys." says Bisckits

"It's ok" said Portia

"Let's just get out of here" said Jaspa

"Nobody saw him right" asked Gravee

"Right" said Bisckits

"Well then let's check the phone again to see if we can find another place he could be." said he Gravee

"Let's check Google again" said Bisckits

"Look it says Kuala Lumpur Petronas towers maybe we could find him there." said Portia

"If only we had a map." said Jaspa

When they said that the phone started talking. It said "ok finding route to Kuala Lumpur Petronas towers"

"Wow" said Bisckits

"It must have picked up our voices when we said map" said Gravee

"Well what are we waiting for let's go" yelled Gravee.

## Chapter Three

### The Petronas Towers

The Petronas twin towers were once the tallest buildings in the world. Now the tallest twin structures they are 88 storeys. The buildings were designed by Caesar Pelli and associates with both towers joined at the 41st and 42nd floors by a 58 metre long sky bridge.

“Ok here we are maybe we should split up and cover more ground” said Portia

“Alright “ said Jaspa

“ Jaspa you go with Gravee I will go with Biscuits” said Portia.

“Ok” said Jaspa

As the groups went their separate ways in the two towers they noticed that there were 88 levels.

“Did you know that Malaysia is the most biodiverse place in the world and is home to the most black panthers in the world” said Biscuits

“Where did you learn that?” asked Portia

“From the phone robot” said Biscuits

“ oh no the elevator is out of order now we have to walk up 88 flights of stairs” complained Biscuits.

“ I wonder how the others are going” wondered Portia

\*\*\*

“Let’s Hurry Gravee” said Jaspa

“ oh, thank goodness the elevator works!” Said Gravee

Meanwhile Gravee and Jaspa have Already looked through the hole building while Portia and Biscuits were only at the top still having to come back down.

Almost an hour goes by and they finally meet back up with each other.

“No luck but the building is beautiful” said Portia

“Same with us “said Jaspa

“I have an idea we could try and find an address in the phone” said Biscuits

“That’s a great idea” said Jaspa

## Chapter Four

### The House

The Ses decided to try and find an address in the phone.

“Look there it is in the notes app” said Biskits

“Let’s check there” said Jaspa

“Ooooh it says secret info, it might be in there” said Portia

“Ok let’s look “ said Gravee

When the Ses were looking through the file of secret info there were lots of phone numbers and lots of words but so far no addresses.

“Oh look there it is and address 8 Jalan Bukit Desa.

“Well how are we going to get there.” asked Biskits

“I know look over there a skate park. What if we use a skateboard?” said Jaspa

“ That’s a great idea” said Gravee

So the Ses creepily walked into the skate park and saw a kids skateboard.

So they went and got on it and it immediately started rolling.

“Let’s get out of here!” shouted Portia

Soon after they left the park without anybody seeing.

About ten minutes later they arrived at the house.

It had a yellowish beige kind of colour and a orangish red kind of roof .

“Hurry let’s go!” proclaimed Biskits

“How are we going to ring the bell.” asked Gravee

“We could climb the bush” said Jaspa

“ Great idea.” said Portia

“Biskits you do it your the smallest.” said Gravee

As Biskits was climbing up the bush it reminded him of when he found Ernest on top of the monument. He soon reached the top and rang the doorbell.

Then he climbed down the bush.

The human then came to the door and said “hello”. The Ses decided to un blend them selves so he can see them.

“Down here” said Jaspa

The human bent down and said” wow your actually real I knew it”

“Here I think this belongs to you.” said Portia

“Thanks so much how did you find me” asked the human

“We just did a little digging” said the Ses.

“Well we better get going back to Ben.” Said Portia

“Ok” said Jaspa

“Wait” said the human

“What’s your name? Mine is Ruoh gau said the human.

“ Oh that’s Biscuits, Jaspa ,Gravee and I’m Portia “ said Portia

“Well bye” said the human
